DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Response to Amendment

The reply filed on May 31, 2011 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The response does not address the outstanding rejections from the Non-Final Rejection, mailed February 2011. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

The response appears to be a collection of citations from the original specification with points emphasized through the use of boxes around certain points. The citations are not tied together in an argument, and thus it is not clear how the applicant is contesting the outstanding rejections.

In the Non-Final Rejection mailed February 15, 2011, the Office proposed an allowable claim. As the applicant has not accepted the allowable subject matter, the Office requests that the applicant address the scope of the proposed allowable claim in order to expedite prosecution. Such a discussion would help the Office and the applicant arrive at mutually satisfactory language in order to allow for allowance. However, such a discussion is not required of the applicant.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to LIAM HEINCER whose telephone number is (571)270-3297. The examiner can normally be reached on Monday thru Friday 7:30 to 5:00 EST. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mark Eashoo can be reached on 571-272-1197. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
